

MyZuzah Moments - August 17, 2023

MyZuzah's special outreach to support Jewish communities in the southern states of **Alabama, Tennessee, Georgia, South Carolina, and north Florida** has made great progress this week, with programs planned at schools in Memphis, rural communities in Georgia, the Federation in Charleston, and Moishe Houses across the region! We hosted an informational session for interested new partners and we are looking forward to a wide and varied impact in all of these places!

Partner Updates:

Next to Pikes Peak in Colorado, Rabbi Boaz Vituk of the **Colorado Springs Jewish Community** went on a mezuzah bonanza this summer and sent us pictures from the 30 households he helped mark and protect:

The team at **JOIN Orlando** provided Daniel Mancusa with a new mezuzah for his home:

Individual Stories:
