

MyZuzah Moments - July 12, 2024

To add to our wide range of programs and venues where MyZuzah shares the potential of mezuzot with the Jewish community, we are exploring a wider push into **synagogue, JCC, and Jewish school** settings. A large part of Alex's trip to **Seattle** later this month will be focused on bringing more of those local outposts into our network. Stay tuned for updates!

Partner Updates:

We've grown our partnership with **Base**, the branch of **Moishe House** that centers the Jewish experience at the home of a rabbinic couple. In the last few weeks, we've onboarded the couples at **Base Miami, Boston**, and the **Upper West Side** of Manhattan and sent them out into their community with mezuzahs, to better model a thriving Jewish home!

The team at the **International Center for Young Jews**, in **Buenos Aires, Argentina**, shared another group of photos of their growing community:

Recipient Messages:

I feel very courageous having a mezuzah on my door in the current political climate. It was kismet for me to stumble upon this organization just when I signed a lease for a new apartment. It feels like my new home is blessed with a fresh start and wholly committed to being unapologetically Jewish. Thank you! Alina Zatulyviter, Prospect Heights, IL

I painted mine, to make the mitzvah even more beautiful! Sofia Rivera, **Tuscaloosa, AL**

Feels great showing our building that we're a proud Jewish family! Chelsea John, **Harlem, NY**

It was great to feel a sense of community with the others on the call. I love to really meet people and get to know each other. Daniel Wuhrman, **Fair Lawn, NJ**

Chris Moldes, **Rockville, MD**
