

MyZuzah Moments - June 14, 2024

Partner Updates:

In beautiful **Brooklyn, NY**, Rabbi Mordechai Lightstone of **TechTribe** (a young professional group catering to the Jewish high-tech and startup crowd) has been on an early-summer run with his mezuzah engagement - he shared more than a dozen photos of his excited community members:

Also in **New York, NY**, the **Young Jewish Professionals Network** welcomed a new member to their cohort with a mezuzah for his home:

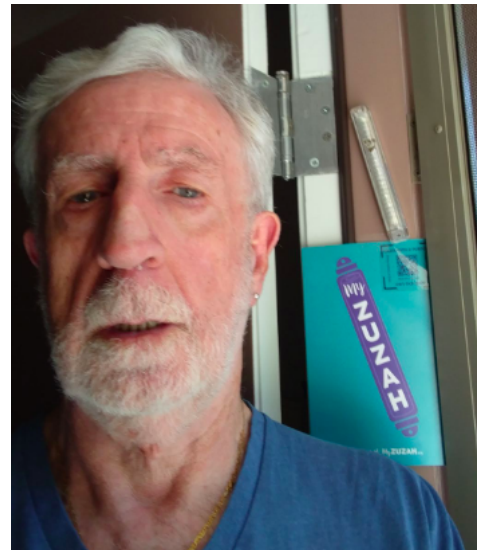

Way out in **Yohohama, Japan**, one of the military chaplains in our **JWB network** helped connect a family living near their U.S Navy base. The family shared that they are *"excited to officially become a Jewish home to the rest of the world who visits our home!"*

Recipient Messages:

*A mezuzah and a cheese stick – just what my daughter loves! Samantha Hoffman, **Staunton, IL***

*I learned about MyZuzah from my community and it feels simply amazing to have a kosher mezuzah at my home's entrance. Thank you so much! Leigh Lingard, **Phoenix, AZ***

*I said the blessing with focus and intention, and now I am feeling the Mezuzah protect my house. Aaron Ayala, **Boston, MA***
