

MyZuzah Moments - March 21, 2025

Mezuzah recipient Hannah Stampleman, of **Philadelphia, PA**, had some trouble with her order when she was motivated to request a mezuzah after seeing the news of our partnership with Patricia Heaton online. She requested a Solidarity Mezuzah to give to a non-Jewish friend along with her own kosher mezuzah, and upon receiving it last week shared a picture of her family's Purim costumes.

Partner Updates:

The **Jewish Federation of Los Angeles** hosted an event on Thursday, where over 100 women came together with an artist to decorate mezuzah cases for 150 families who lost their homes in the LA fires, earlier this year. We provided the cases and kosher klafim, and the Federation flew in an artist from Las Vegas to guide the attendees in making some beautiful cases. An executive from Federation shared this note of appreciation, and pictures from the event:

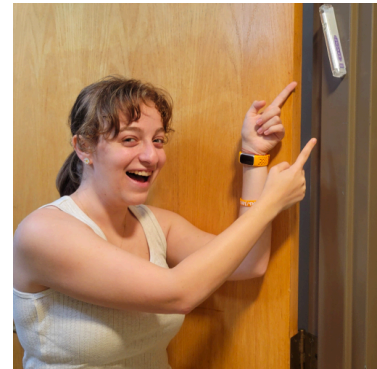

I wanted to send you an official thank you for donating the mezuzah and kosher scrolls. They were the perfect base for the crafting project. We made sure to mention MyZuzah throughout the night and will have the MyZuzah cards placed with the donated mezuzot at the "boutique" this coming Sunday and Tuesday where people affected by the fires can "shop" for Judaica. I hope those images make you feel great. The women were so happy to be a part of this project. Thank you again. You've been an amazing collaborator!

Dovid Caytak continues his roll through the **IDF**, presenting **50 mezuzot** to the [Officer Training Base 1](#) (בה"ד 1), near Mitzpe Ramon. [Click here to view a video of appreciation!](#)

Earlier this year, we worked with **Rochester Hillel** in **Upstate New York** to support their students after some appalling acts of antisemitism and anti-Israel vandalism on campus. You can see how happy the students are to have new mezuzahs on their dorms!

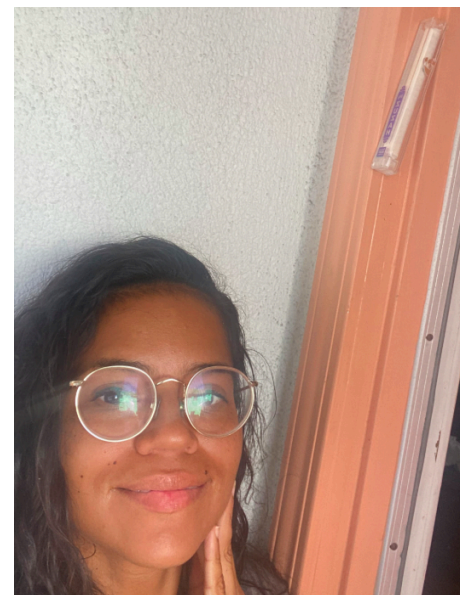

Individual Recipient Stories:

I already had a mezuzah on my door so I shared this with my brother, who just moved into a new apartment. It's great to show Jewish pride on the entrance to our home! Jennifer Eisenberg, Englewood, NJ

*I am so grateful for this program and everyone involved. Thank you so much. This is truly what the world needs and you are doing your part abiding by it so thank you so much and I hope it continues to grow fruitfully. I will be donating to the cause and telling all my friends about it. Thank you. Stefania Arenas, **Los Angeles, CA***
