

MyZuzah Moments - November 30, 2023

As part of our ongoing efforts to support Israel and our soldiers, we sent **65 mezuzot** to the **Michael Levin Lone Soldier Center** in Jerusalem, where many chayalim stay for rest and recuperation between deployments or on leave, when other soldiers are able to go home to their families. Please [click here to listen to one soldier's thank-you](#), as he puts a mezuzah on his bedroom door.

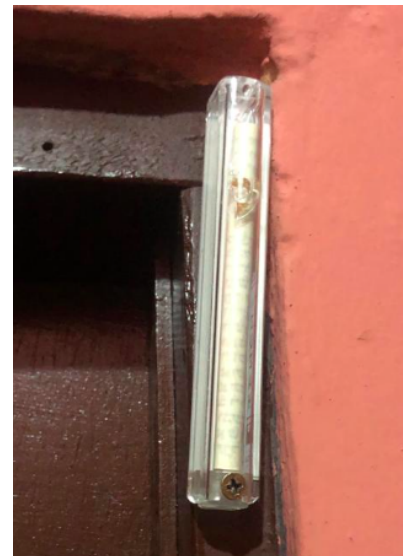

MyZuzah is also working with **Leket Israel** to provide 2,000 mezuzot to Israelis who have been internally displaced by the war. A group of mothers in New Jersey is making lovely needlepoint decorations for the cases, and we are trying to provide every klaf that they need.
